## ADOPTED

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

28 December 8, 2009

*Sachi A. Hamai*  
SACHI A. HAMAI  
EXECUTIVE OFFICER

Dear Supervisors:

**STREET LIGHTING DISTRICTS  
ANNEXATION OF TERRITORY TO COUNTY LIGHTING MAINTENANCE  
DISTRICT 10049, AND NEGOTIATED  
EXCHANGE OF PROPERTY TAX REVENUES FOR APPROVED  
TENTATIVE SUBDIVISION TERRITORY  
CITY OF INDUSTRY  
(SUPERVISORIAL DISTRICT 1)  
(3 VOTES)**

### **SUBJECT**

This action is to annex territory in the City of Industry to County Lighting Maintenance District 10049, for street lighting purposes, and to approve the negotiated exchange of property tax revenues among those nonexempt taxing agencies whose service areas are subject to the jurisdictional change.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that the following actions are categorically exempt from the provisions of the California Environmental Quality Act.
2. Adopt the Resolution Ordering Annexation of Approved Tentative Subdivision Territory to County Lighting Maintenance District 10049, whose territory is located in the City of Industry and identified on Appendix A and accompanying diagram.
3. Adopt the Joint Resolution Approving and Accepting the Negotiated Exchange of Property Tax Revenues Resulting from Annexation of Parcel Map No. 70988 to County Lighting Maintenance District 10049, as approved by the City of Industry and other nonexempt taxing agencies.

The annexation and the exchange of property tax revenue shall not become effective unless the County Assessor approves the legal description for the annexation territory as to definiteness and certainty and, when legally required, the final subdivision map is approved and recorded with the County of Los Angeles Registrar-Recorder/County Clerk.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of this recommended action is to: (1) annex the subdivision listed in Appendix A to County Lighting Maintenance District (CLMD) 10049; and (2) approve the exchange of property tax revenues between CLMD 10049, the City of Industry, and other nonexempt taxing entities, whose service areas are subject to jurisdictional change.

The City of Industry Municipal Code requires the installation of a street lighting system by a developer. The proposed annexation and exchange of property tax revenues are required to provide the necessary funding for the operation and maintenance of street lights.

**Implementation of Strategic Plan Goals**

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1). We ensure the fiscal sustainability of our street lighting services by performing the annexation and property tax transfer to provide the funding necessary for the operation and maintenance of new street lighting facilities within this annexed territory. In addition, this action is consistent with Community and Municipal Services (Goal 3), since street lighting services provides for the delivery of a customer-oriented municipal service that improves the quality of life for residents in the area.

### **FISCAL IMPACT/FINANCING**

Sufficient funds are included in the Fiscal Year (FY) 2009-10 budget for CLMD 10049 to fund the costs for the operation and maintenance of the street lights within the annexed territory, should operation and maintenance charges estimated to be \$800 annually be incurred prior to the end of FY 2009-10. Funds to finance future operational cost will be made through the Department of Public Works (Public Works) annual budget process.

In subsequent years, the ongoing operation and maintenance costs of the street lights within this annexed territory will be funded by CLMD 10049's share of ad valorem property taxes, supplemented by funds from the City of Industry. The proposed annexation will result in a minimal property tax growth transfer from the affected taxing entities including the County General Fund, the Los Angeles County Flood Control District, and the Consolidated Fire Protection District to CLMD 10049.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The City of Industry has executed a Resolution Granting Consent and Jurisdiction to the County of Los Angeles in the matter of the annexation for Parcel Map No. 70988 to CLMD 10049, pursuant to Section 5837 of the California Streets and Highways Code. The resolution is on file with Public Works.

New developments are typically required to provide street lighting in accordance with applicable subdivision, planning, and zoning ordinances as a condition of approval. The California Streets and Highways Code Section 5821.3, provides that a territory owned by a subdivider subject to said ordinance may be annexed to a lighting district, without notice and hearing. The posting and publishing requirements for the project listed in Appendix A is, therefore, not required.

Section 99.01(a)(4) of the California Revenue and Taxation Code provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by resolution. The Joint Resolution Approving and Accepting the Negotiated Exchange of Property Tax Revenues, approved by the City of Industry and all affected taxing agencies, is enclosed for your consideration.

Following your Board's approval of the enclosed resolutions for the annexation and exchange of property tax revenues, and the recordation of a final subdivision map and/or approval of the legal description by the County Assessor, Public Works will file the statement of boundary changes with the State Board of Equalization as required by Section 54900 et seq. of the California Government Code.

The enclosed resolutions have been approved as to form by County Counsel.

### **ENVIRONMENTAL DOCUMENTATION**

This project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) in that they meet the criteria set forth in Section 15301(c) of the CEQA Guidelines and Class 1(x)(27) of the County's Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987. These exemptions provide for formation of and annexations to street lighting districts.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The annexation of the territory to CLMD 10049 will result in street lighting for this area and will have no impact on other services or projects.

**CONCLUSION**

Please return one adopted copy of this letter and the signed resolutions to Public Works, Traffic and Lighting Division. Also, please forward one adopted copy of the letter and resolutions to the County Assessor, Ownership Services Section (Attention Angela Gadsden); and to the Auditor-Controller, Tax Division (Attention Kelvin Aikens).

Respectfully submitted,
